

CVS Pharmacy - Charitable Gift Programs

Thank you for taking the time to contact CVS Pharmacy.

We partner with hundreds of nonprofit organizations each year to improve the quality of life and increase opportunities for success for people living in states where we operate stores. Please read the following information on how your organization can request support from us.

CVS Pharmacy Community Grants

CVS Pharmacy Gift Cards

CVS will consider requests for donations of CVS Pharmacy Gift Cards, which can be used to purchase products at our stores to benefit charitable efforts or may be used for fund-raising purposes. We will consider requests for a CVS Gift Card if the donation will benefit:

- Public school improvement efforts
- Health services for those at risk/indigent
- Civic improvement projects that benefit everyone (such as clean up days, volunteer service projects, or responding to critical needs within a community such as a natural disaster)

To request a CVS Gift Card, please adhere to the following guidelines:

- a. Only requests from nonprofits will be considered.
- b. The request must be received on the letterhead of the nonprofit requesting the donation. Nonprofits can include both public schools and faith-based organizations. (As long as the program or service offered is available to anyone in the community).
- c. In one page, the request must describe the population served and the need or reason for the request.
- d. The written request must be received 4-6 weeks in advance of the event day, if an event is involved.
- e. Mail to: CVS Community Relations, Attn: Community Relations Director, 1 CVS Drive, Woonsocket, RI 02895

Please note that our store personnel are not able to accept or approve donation requests. We appreciate your business and look forward to serving you again in the future.

Sincerely,

Tara
